WARWICK
JUNIOR SCHOOL

School uniform list

Below is a brief description of the uniform requirements. Those marked with an asterisk (*) must be obtained from the School Clothing Supplier or the PAWS official second-hand clothing sale.

The expectation is that boys attend all PE and Games lessons, fixtures, and extended day clubs in Warwick School kit. Please note that legacy kit that features the old coloured crest should no longer be worn.

School uniform

Pupils should take pride in their appearance and in the wearing of the school uniform. They will be reminded by teachers to tuck in shirts, fasten top buttons, wear ties correctly, fasten shoelaces and wear clean shoes. Play is a significant part of a pupil's life at the Junior School. We do, however, expect that pupils take care of their uniform, and that particularly blazers are cared for and are not left lying around. We do take measures to reduce undue wear and tear and insist that coats are worn at breaks and not blazers.
